**AMENDMENT**

In response to the non-final Office Action mailed July 2, 2002, please  
amend the above-identified application without prejudice as follows.

**In the Claims:**

Please amend Claims 1 and 10 as set forth below.

1. (Once amended) An electronic printing system for printing images  
stored on a removable memory card, the electronic printing system comprising:

(a) a memory card interface for receiving the removable memory card,  
the removable memory card having stored thereon a plurality of digital image files and a  
print utilization file, the print utilization file identifying at least two digital image files  
stored on the removable memory card to be printed, the at least two digital image files  
corresponding to selected ones of a plurality of digital images captured by a digital  
camera adapted to receive the removable memory card;
